We are asking the children to reflect on their weekly learning. Ask them about what they've been doing!

This week in...

Acorns and Oaks: "This week was good because I learnt some tricky words! We had to find the lost sock from our class story and I enjoyed that. We are still trying to find it!" - Holly

Chestnuts: "It has been an amazing week and I have learnt some new numbers! I enjoyed our topic work because we are learning about toys. I liked 'hit the button' in maths too." - Ethan

Sycamores: "I have learnt to multiply and divide this week! In English we are reading 'Paddington Bear' and in maths we have been using counters to support our problem solving." - Aaron

Redwoods: "This week has been magnificent! In maths I have been learning about ratio and I also liked it when we had to learn design insects for the planet Pandora. My favourite subject was computing as we made promotional videos on the ipads." - Sanzik

A message from your Academy Head

On Monday we took part in a whole school sing-a-long at the front of school and performed a song that we have been learning in our musical theatre workshops. A huge thank you to all those who supported the children.

We are looking for some willing parents who may be able to joining our Local Governing Board to support the school development. If you would like to find out more about the role please speak to me or our chair, Lynda Cooper. We were thrilled to receive a response to our 'plastic free poppies' from the Royal British Legion and they assure us they are working to reduce the plastic in their products. Well done Redwoods!

Don't forget that our breakfast club has places available. Please come and join us from 8:00am for a healthy breakfast for just 50p a day! Booking is not required but you must have filled out a registration form for your child.
