A message from your Academy Head

This week has been a very busy one! You will have seen some exciting insights into learning across the school on our Facebook page. Please take a look if you don't already follow us. Sycamore class were hosts to visitors from other schools and had the opportunity to show off their developing mathematical vocabulary. They were incredibly welcoming and hardworking - well done Sycamores. Redwoods have had great fun learning all about the planets and some members of the class were battling the elements during their Bikeability sessions!

Please can you ensure that we are informed of changes to phone numbers so that we can update our text and 'head bump' systems. Many thanks.
