This week in...

We are asking the children to reflect on their weekly learning.

Thanks again to Oliwia in Redwoods for her roving reporting skills!

Acorns and Oaks: "I liked the trip to the castle this week. We had a look around the castle and learned about the history of it. We found out that half of the roof was gone because it was damaged in World War 2." - *Ethan*

Chestnuts: "I've loved learning all about Rumpelstiltskin (but I really don't like *him* because he's really not very nice!) and I'm going to get to write my own version. So far, I have created my own character called 'Rollywipper' and she is an old lady who has a walking stick made from a chestnut tree branch and she has curly white hair. I can't wait to write my own story!" - *Sophie S*

Sycamores: "I enjoyed maths this week because we learned how to subtract one fraction from another fraction. I also liked English because first we had to write a simple sentence and then add lots of extra detail into it." - *Owen*

Redwoods: "I really liked maths this week because we had to carefully weigh fruit to make a smoothie which we then got to drink. I also liked learning about Ancient Greece and the Greek gods; my favourite part was that we got to make figures of the gods out of clay. My favourite Greek god is Poseidon because he is the ruler of the sea and the brother of Zeus and I think he was a really powerful god." - *Sohan*

Whole School News

What an incredibly busy week it's been at Bearn's! Our Reception class have been "out and about" every day, having new adventures and experiences and have been really excited to tell us all about it each day. Tuesday, saw Early Years and KS1 visiting not one but two local castles; Dartmouth was the first port of call, with a quick stop at Berry Pomeroy on the way back to Newton Abbot. They managed to walk over 3 miles in one day - which is a long way for such little legs!

Well done all of you! Year 6 have completed their SATs this week. It's been an exhausting time but they have each coped brilliantly and Ms Eeles, Ms Clarke and Mrs Fraser are extremely proud of each and everyone of them. Their attitude to learning will keep them in good stead for Year 7!

Have a relaxing weekend everyone!

PS: Please make a super-human effort to ensure that children in Years 3, 4, 5 and 6 are in school by 7:50am on Monday — we'd hate for anyone to miss the bus to The Eden Project.
