Whole School News

This week we took part in the CAP workshops which have equipped our pupils with strong messages about their safety and rights, they will be able to tell you all about these.

We will be hosting an open morning on 31st October between 9.30 and 11am. We would love to show you what we are doing as a school this year and have you visit the classrooms. Miss Eeles will be sharing the school vision and showing families around with the help of the school council. We welcome you all to join us and ask that you spread the word about our current pre-school spaces.

As we are experiencing some very unpredictable wet weather please ensure the children are prepared with coats, jumpers and suitable foot wear. Thank you!
