This week in...

Acorns and Oaks; What a lovely week in Early Years! The children have been busy creating wanted posters for the Evil Pea to display around the unit. In our Maths learning, we have been investigating repeating patterns and shape. Please ensure your child's book bag is in EVERY DAY as they need access to their reading books and reading records daily. Have a wonderful and restful half term.

Chestnuts; The Chestnuts have worked very hard this week in Mrs Luxton's absence, I am very proud of you all. The children have continued their work on their imaginary worlds with Mrs Malpas and been practising their two times table alongside their number bonds. They behaved well on their Multi-Skills trip earlier in the week and represented Bearness brilliantly.- Miss Eeles

Sycamores; What a fantastic and busy last week we have had leading up to half term. We started some work on telling the time in digital and analogue, so please encourage your children to practise this at home. The handwriting in our class is really starting to improve and we have some great work up on display to celebrate. We had an amazing cake sale and raised a fantastic £67.03 Thank you all so much for your very generous cake donations and supporting this event by buying lots of cakes. Thank you again to Wednesday's and Ioana's mum for coming with us. We really appreciate your support. We hope you all have a safe and fun break and look forward to your return.

Redwoods; Our wonderful Redwoods are off on residential and having a wonderful time. They have been taking part in rock climbing, team building and crate climbing.

A message from the Head of School

We've come to the end of our first half term already. I am so proud of all of the way our children have settled into their new classes and represented the school over the last few weeks. Also, a huge thanks to the staff for their continued dedication to our pupils.

We will soon be entering the build up to Christmas in which we have a lot of exciting events planned. If you are able to support us in attending these, we are always grateful. Please let your child's class teacher know that you would like to assist them when you are notified of the details.

The School Pupil Council will be up and running after half term. This will take place on a Thursday afternoon within the school day.

We have had quite a few cases of nits again this week, please can you check your child's hair regularly and treat them if needed. If you need advice or support with this please get in touch with us.
