We ask the children to reflect on their weekly learning. Ask them about what they've been doing!

This week in...

Acorns and Oaks: *"This week we learnt about how eggs hatch. We also weighed my shoes, they weighed 17 counting bears!" - Kayla*

Chestnuts: *"This week we played hockey - I love playing hockey with my friends. We also had our class photo, which I really enjoyed." - Caelan*

Sycamores: *"In maths this week I have been learning multiplication which was fun. In English we have been writing about animals that live in the rainforests." - Aaron*

Redwoods: *"In maths this week we did measurements. In English we started a diary entry of La Luna, which was great fun." - Lily C*

A message from your Academy Head

There have been several cases of head lice reported in school recently which we understand is frustrating for parents and children. Unfortunately, head lice cannot be prevented entirely but if everyone is regularly checking and treating their children, we will greatly reduce the spread. If you are struggling to get rid of head lice please seek advice from your pharmacist **and** let us know so that we can provide support.

We promote the 'Once a week, take a peek' campaign: <http://www.onceaweektakeapeek.com/the-facts.html>

The latest advice regarding Coronavirus is constantly being updated and is available on our website, Facebook page or at the link below;

<https://www.devonnewscentre.info/coronavirus-advice-from-public-health-england>

There are a lot of different messages in the media about school closures around the country. At present this is not necessary action, should this change we will inform parents immediately. We encourage good levels of hygiene at school and remain in contact with Public Health for the most up to date advice. Please inform us if you have returned from one of the affected areas or had direct contact with a person who has a **confirmed** case. If you display any of the symptoms please use the 111 service for further medical advice.
