1st July 2020

Dear Parents, Guardians and Carers,

I am delighted to be able to write this letter to introduce myself to you all. My name is Mr. Turner and I will be your new Academy Head from September. Under normal circumstances, I would really love to meet you all and introduce myself in person but unfortunately I am not able to do this.

I have however spent a lot of time, over the last few weeks, with Miss Eeles learning all about your wonderful school and how it plays a vital role within the local community - something I see as extremely important and want to continue to help grow.

I also wanted to share some information about me, so at least you know a couple of things before September. I have been teaching since 2009 and started teaching in a Secondary School as a Science teacher. Science is one of my passions and I spent my last few years in secondary education as Head

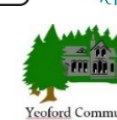

of Department. In 2016 I made the move across to Primary education and have never looked back! Since being at Broadhempston I have set up our yearly activities week - something we all enjoy very much. In my spare time I like to be active and depending on the time of year you might find me paddle boarding or snow boarding. I am also a big fan of the Exeter Chiefs and enjoy going to watch games with my wife, if we can get tickets.

I cannot wait to get started on this new adventure together and to see what new and exciting opportunities we can create for your children, you and the local community.

I look forward to meeting you all soon and I hope, if restrictions allow, that we will be able to organise a "Meet the New Head" event and get to know each other over a cup of tea/coffee in the Autumn term.

May I take this opportunity to thank you all for taking the time to read my letter and I hope you all have a fantastic summer break.

See you in September

Mr. Turner
