## This week in...

### We are asking the children to reflect on their weekly learning.

**Acorns and Oaks:** "This week I've enjoyed learning about vets and pets. I liked the story 'The Wish Cat' and my wish pet is a pink and purple unicorn. I really liked playing with my friends in the dressing up box." Olivia, aged 4

**Sycamores:** "It has been such an exciting week, erupting our volcanoes and learning about extreme weather and our environment. In our maths, we have been super clever at doing a grid method for multiplication and solving word problems. Tennis was the best because we played team games and coach Ben taught us some sneaky tricks!" Dylan, Melissa and Alicia

**Redwoods:** "I loved the wood working we did. It was awesome making the signs for our classrooms and I'd love to do it again" - Archie, Y5

### **A message from Miss Eeles**

*This week we have had the DAISI project here working with Redwood class to produce some amazing wood-work. The class designed a set of signs based on the tree name of each class. We invited the year 5 and 6 pupils from Hennock Primary School to join us with this, it was great to see the children who we shared our residential with. Bearn's children were so welcoming and kind during their visit. We have now got a nice empty Clothes Bank. , if you have any good quality donations please wrap them in a plastic bag and pop them in the bank.*

*Please be aware that we are talking to all of the children about online safety, but are not specifically naming the recent crazes so as not to raise its profile. Please ensure you know what your children are engaging with online.*

***Please can we ask that home work folders, reading books and PE kits are all in school each week.***
