

Bearnes Primary School Strategic Improvement Priorities

KEY IMPROVEMENT PRIORITIES for 2019-20

Key Priority 1 Quality of Education

We will focus on improving the teaching & learning challenge through forensic analysis reflected in improved progress data. This will focus on the progression of reading and spelling skills throughout the school.

Key Priority 2 Quality of Education Science

Science Curriculum planning, delivery & teaching is enhanced with a focus on 'working scientifically'.

Key Priority 3 Quality of Education: Computing

To provide a high quality computing curriculum and use IT, including i-pads, to enhance the teaching of all curriculum subject skills.

Key Priority 4 Leadership & Management & Quality of Education

Middle Leaders will engage with the Trust-wide network to ensure the highest quality delivery of a broad and balanced curriculum at Bearnes.

Key Priority 5 Personal Development, Behaviour and Welfare

As a whole school we will consider their impact of our actions on the local and wider community with particular focus on our 5 Star.

Key Priority 6 Early Years

Expansion of our EY offer to work with families from a younger age, enhanced by high quality parent induction to Bearnes.
